Dear MR. Mike Cully:

This letter confirms that United Plate Glass Butler, as of 01/08/2020, has successfully met the criteria for becoming a Guardian Select(TM) Fabricator for the SunGuard coated glass products listed below:

Product Category	Products Covered by Certification
Super Neutral	SN54, SN54 HT, SN68, SN68 HT, SNR43, SNX51/23, SNX51/23 HT, SNX62/27, SNX62/27 HT

Guardian's certification process and program requirements have been designed to assess our customer's ability to consistently fabricate quality coated products. This certification is valid for 12 months. This letter may be submitted as required by architectural specifications as evidence of fabricator certification for processing SunGuard products in accordance with Guardian's standards.

Congratulations on your re-certification as a Guardian Select Fabricator! We look forward to continued success with United Plate Glass Butler in the high performance commercial glass market.

Best Regards,
